

South Portland Music Boosters
Meeting Minutes May 10, 2017

1. Minutes from last meeting: Paula move to accept Jacci second the motion.
2. Music Directors:
 1. Craig joined us at the end of the meeting. Discussed the possibility of new marching band uniforms. Craig is going to talk to superintendent about possible funding. He informed us that we will be hosting the All State Jazz Festival January 11-13th. The middle school state jazz festival location is up for bid. This is a one day event. We do not have a marching band home show scheduled however there is one weekend on the MBDA schedule that has not been designated to anyone (September 23). He also told us that Thornton will not be hosting MBDA finals this year so that event may be up for grabs.
 2. Sandy Barry-absent (Mahoney talent show)
 3. Jean Quinn-absent
 4. Michelle Snow-absent
 5. Jamie Swensen-absent
3. Treasurer's Report:
 1. Jacci reports that summer scholarships and senior scholarships have been paid leaving us over \$1,600 in scholarship budget. Peter Stanton and Beth Doane will present senior scholarships on senior night. Mahoney's budget shows a deficit due to the boosters contribution for a coach bus to jazz festival.
4. Bingo:
 1. John Perry was absent but Lisa said that she has been communicating with a middle school parent about working bingo for instrument cost reimbursement. Also the chorus is going to NYC next April so we will do a bingo incentive for the trip.
5. Fundraising:
 1. No fundraising chair. Jacci is waiting to hear back from Willow's. Katrina mentioned getting Amazon Smile set up. We talked about possibly setting up a Go Fund Me page to fundraise for marching band uniforms.
6. Special Events:
 1. Paula and Peter have nothing going on right now. Waiting on Michelle Snow to see if she is doing a choral picnic.
7. Communications:
 1. Beth has a middle school parent who may be interested in communication chair next year. Beth said she will serve as mentor for who ever takes position next year. There will be an article in the paper next weekend about the students going to all state. She has also submitted dates for spring band and choral concerts.
