

# SOUTH PORTLAND MUSIC BOOSTERS SUMMER CAMP SCHOLARSHIP APPLICATION

Summer Scholarships are for South Portland Music students who are planning on attending a summer music camp, will be returning to a South Portland School and will be enrolled in a music class. The summer camp must be in the same field of music that the student is studying in the current year and will study next year. EG: a student in chorus or select chorus may not apply for a scholarship to a band camp. A student in both chorus and band may apply for a scholarship to a choral or band camp. Any student may apply to a color guard camp, however, should the student not participate in the following fall color guard program, a scholarship reimbursement is mandatory.

Dear Parents,

As you may or may not know, the summer scholarship program has always been awarded to students whose parents/guardians worked a certain number of shifts at the South Portland Bingo Hall. The South Portland Music Boosters are no longer affiliated with the South Portland Bingo Hall as we were finding it difficult to staff the required number of volunteers every weekend. Because of this, our funding has been decreased quite a bit. We are, however, committed to your student and his/her music education and love of music and we will be keeping the summer scholarship program.

Our scholarship committee has met and has agreed on a revised application and award process. Because of the timeline, this year we will be splitting a dollar amount that we have set aside for the summer scholarships and dividing that amount equally between applicants. Until we receive all of the applications, we do not know how much your student will receive.

Next year the application will look different. Since volunteering for Bingo has always been the criteria to receive a summer scholarship, starting in the Fall of 2019, the South Portland Music Boosters will be taking YOUR volunteer activity with the music program into consideration. We will be using a point system for each event. We will be working on the form over the summer and will have it available to you early in the year, so you can see what events we have planned and the opportunities to volunteer.

Thank you for your understanding and thank you for supporting the South Portland Music Boosters.
